Reports of disciplinary actions from 2017 to date for all professional licenses regulated by this division are available on our disciplinary action reports webpage. Reports are added to the webpage on a quarterly basis.

Copies of disciplinary actions on professional licenses are available online for certain programs. Uploading this information to our website may take up to 60 days from the date of license action. A report of all disciplinary actions from 2017 to date for all professional licenses regulated by this division are available on our disciplinary action reports webpage. Reports are added to this website on a quarterly basis. Many license actions from before 2017 will not be available on our website, but can be requested by contacting the division's Investigative Unit at investigations@alaska.gov and asking for the information from our litigation files.

### Search for a License

Welcome to Web Lookup/Verification

- Please enter search criteria below to start your search (enter data in any field- we will search with whatever information you provide to us- remember less is more!)
- If you have partial information, or not sure of the exact name etc., you may use a wildcard search by placing a '\*' following the partial data entered (example not sure if Alan or Allen, enter Al\*) to search.
- Click here to search for a Facility instead of a person.

## CREDENTIAL SEARCH

You can use the following search tool to find a practitioner and lookup licensure, registration, training, and disciplinary actions, or to verify a license/registration/permit issued by the Board, including Acupuncturists, Athletic Trainers, Genetic Counselors, Naturopathic Doctors, Physician Assistants, Professional Firms, Physicians and Surgeons, Respiratory Therapists, Residency Permits, Camp Doctors, Telemedicine Registrations, and Traditional Midwives.

The license information in the search results has been designed and implemented to meet primary source verification requirements of the Joint Commission accredited hospitals and the National Committee for Quality Assurance (NCQA) certified managed care organizations, and it can be used as primary source verification.

Additional search criteria may be found by clicking the "Advanced" tab.
